## TEXT REVIEWS

1. Space Invaders: The Original Review – Ign

<http://au.ign.com/articles/2008/11/18/space-invaders-the-original-game-review>

Review of the original game, claiming it's too expensive for what it is in modern revamps of the game. A classic nonetheless, but still rather pricey given how much game capability has grown in the last 30 years.

2. The Invaders Are Back In Space Invaders Extreme – Gameindustry

<http://www.gameindustry.com/reviews/game-review/invaders-back-space-invaders-extreme/>

A Review Of One Of The Latest Iterations Of The Space Invaders Franchise, Expanding On How The Iteration Sticks To The Simplistic Gameplay And 2d Design.

3. Review: Space Invaders: Virtual Collection – Nintendolife

[http://www.nintendolife.com/reviews/2009/08/space\\_invaders\\_virtual\\_collection\\_retro](http://www.nintendolife.com/reviews/2009/08/space_invaders_virtual_collection_retro)

A review of the collection of space invaders iterations as a whole, criticising how they use the same game and “port it to anything” for profit. Although still recognising space invaders as a classic.
